Educational Use License

This license governs the use, copying, and distribution of the software and related files ("Software") in this repository.

Permissions
Educational Use Only:
The Software may be used solely for educational and personal learning purposes.

Modification and Use:
You may modify and use the Software for personal and non-commercial educational purposes. However, the modified versions must not be distributed.

Restrictions
No Redistribution:
The Software and any derivatives thereof may not be shared, distributed, sublicensed, or sold in any form without explicit prior written permission from the copyright holder.

No Commercial Use:
The Software may not be used, in whole or in part, for commercial purposes or any activity that generates revenue.

Proper Attribution:
Any use of the Software must include proper credit to the original author. This includes mentioning the author's name or GitHub username and linking back to the original repository.

Disclaimer of Liability
As-Is Basis:
The Software is provided "as is," without warranty of any kind, express or implied, including but not limited to the warranties of merchantability, fitness for a particular purpose, and noninfringement.

No Liability for Loss or Damage:
The author(s) shall not be held liable for any direct, indirect, incidental, special, exemplary, or consequential damages (including but not limited to loss of data, profit, or revenue; or business interruption) arising out of the use of or inability to use the Software, even if advised of the possibility of such damages.

User Responsibility:
Users assume full responsibility for any risks and outcomes resulting from the use of the Software.
